

TIME SCHEDULE

Changes in State Meet Time Schedule:

The order of events has not been changed, but some start times have been adjusted slightly from last season. The biggest change from prior year schedules is that there is a specific start time for each event, in each classification, for each gender. This change was made for the following reasons:

- 1) Decrease the wait time for athletes when they report to the clerks at staging area #1 and to allow for more room in the staging area for the event participants.
- 2) Decrease the amount of time participants must leave a field event to report for a track event, allowing the field events to run more efficiently.
- 3) Eliminate lag time between track events to produce a better experience for athletes and spectators.

There are several factors that impact the time schedule, not the least being the weather. While all efforts will be made to follow the printed schedule, please have your athletes be aware of the time schedule, the current track time, and to listen for the announcer's calls for their specific event. Calls will be made as follows: 1st call - 15 minutes before the event; 2nd call - 10 minutes before the event; 3rd and final call 5 minutes before the event.
