

21th Annual

Columbine Dave Sanders Cross Country Invitational

The Columbine Cross Country Invitational is just around the corner (9/24/21). Below is some information that you may find helpful. All school busses will need to enter Clement Park at the Pierce Street entrance. Busses will park in the designated parking area near the baseball fields in the Clement Park parking lot. Space in the parking lot will be designated specifically for busses. Please view the attached map for bus parking information. If needed, we will have overflow bus parking in the student parking lot at Columbine High School just south of Clement Park. We will plan to start and finish the race in Clement Park on the greenbelt located near the northeast corner of Pierce and Bowles. Public restrooms will be located at various spots along the race. Port-o-lets will also be provided near the start and finish area. More course maps will be available on race day.
