Shot Put, Discus, Long Jump, & Triple Jump: (flights by School)

We will run 3-4 flights of each of these events. You will compete with all 4 athletes in the same flight by school. 3-3-3-2 OR 4-4-3 depending on number of full teams. Each athlete will be allowed four attempts, and all marks will be measured.

Hurdles

At Echo Park, we can't run shuttle relay. We run heats vs. time. All four runners will be placed in heats. We will print all finishers and score based on place like in XC style. Points will be awarded for full teams, but incomplete teams will be able to compete. A tie will be broken by best individual place.

2-Mile Team Relay

This race will be run cross country style. At the end of the race, we will add up 4 runner places and score XC style. Ties will be broken by best finisher on your team.

6400m Relay, 3200m Relay, and DMR

These events will be run with only one heat of each.

Weight Person's Relay

In order to run the weight man relay, all four competitors must have competed in either the shot put or the discus. ** This is not a scored event.

Running Relays Events

The rest of the events will be run in two heats that will be randomly seeded. You do not need to send in seed times. Places will be determined by time.
