Did you know?

As many of you may be aware, DCSD provides minimal financial assistance for activities and athletics. As a result, programming costs are the responsibility of the participants and their families. Our program fees only cover the expenses of participation.

*It is the goal of MVBC to create and implement a fundraising effort to aid our coaches and facilitators in raising monies to provide our students with program enhancements, new equipment, and campus improvements. **MVBC will work to support each groups "wish list" for improved quality and standards in MVHS extracurricular opportunities.***

*To view a detailed "wish list" from your student's activity or athletic group, please visit the MVBC website at **mvbc.mountainvistaonline.org**. Together, we will continue to raise the bar on enrichment opportunities for our students!*
