

Mountain Vista Cross Country / Track King Soopers Fundraising UPDATES COMING 4/1!

King Soopers is changing the way we participate and receive fundraising money beginning 4/1. Instead of loading your card each visit, families will **link** their current King Soopers loyalty card (usually your phone number) to our **Mountain Vista Cross Country/Track team**. This is the same card you currently use for King Soopers discounts, gas rewards, coupons, etc.

King Soopers will **DONATE** a portion of the total amount spent by our registered families each quarter directly to our team. If you do not currently have a King Soopers loyalty card, stop by any store and pick one up today. How to participate? Simply link your King Soopers card to our team.

Step 1 – Create a King Soopers online account

-If you use the app, log on at home to download coupons, or use ClickList, you already have an online account. Skip to Step 2

-To create an online account, visit <https://www.kingsoopers.com/account/create/> You will use your email and Alt Id (usually your phone number) to create account.

Step 2 – LINK King Soopers card to organization through online account or app

-Sign-in online <https://www.kingsoopers.com/account/communityrewards/>

-SELECT Community Rewards from left and pick our team using code WQ232 or Mountain Vista Cross Country/Track and ENROLL.

The image displays two screenshots side-by-side. The left screenshot is titled "King Soopers Online" and shows a web interface. On the left is a "My Account" sidebar with links like "Account Summary", "Communications", "My Purchases", "My Wallet", "Points Summary", "Community Rewards", "My Prescriptions", "Security Questions", "My Digital Coupons", and "My Saved Recipes". The main content area is titled "Community Rewards" and includes a "Donation Summary" section with a status of "Not Enrolled" and a tip to "Earn money for your school or community organization when you use your SooperCard." Below this is a "Find an Organization" section with a search box containing "WQ232" and a "Search" button. The search results show "Mountain Vista Cross Country/Track" with code "WQ232" and address "10585 Mountain Vista Ridge, Highlands Ranch, CO 80126", with an "Enroll" button. The right screenshot is titled "King Soopers App" and shows the "Community Rewards" screen. It displays "ENROLLMENT" status as "Currently Enrolled" with an enrollment date of "03/19/2019". Under "ORGANIZATION", it lists "Name: Mountain Vista Cross Country/Track" and "Number: WQ232". The "Last Quarter Donation" is "N/A". A message at the bottom says "To change the organization you support with Community Rewards, visit [kingsoopers.com/account/communityrewards/](\"https://www.kingsoopers.com/account/communityrewards/\")". An arrow points from this message to the "Community Rewards" link in the search results of the website screenshot.

Step 3 – Start earning rewards for Mountain Vista Cross Country/Track

- At the end of each quarter, log on to your account and see how much you have raised!

- See details on the app too! Open the App. Go to MY ACCOUNT. Select COMMUNITY REWARDS

Mountain Vista Cross Country / Track King Soopers QUESTIONS?

What do I do with my old card?

- We will be paid 5% of any funds that are added to current cards by 3/31.
- Cards will work until all funds are used, but we will not receive credit for any reloads after 3/31.
- DO NOT reload after 3/31 - even though cards can be loaded after this date, we will not receive any credit or funds for these reloads.

Special DOUBLE CREDITS!

For a short time, we can take advantage of both programs. If you RELOAD your existing fundraising card before 3/31 and then USE it after 4/1 when you shop with your loyalty card, we get the benefits of both programs!

Example - If four families load \$500 before 3/31 and then USE these cards after 4/1 (and they have linked our team in their King Soopers account) our team will receive an extra \$100 in donations!

How will our team get paid? How will I know how much I have contributed?

- Our team will receive a statement each quarter with the number of registered supporters and a payout based upon total spend at King Soopers using customer loyalty number.
- Families can see donations to the organization in their King Soopers account.
- Donation amounts will stay on family account for three months until the next quarter's information is posted.
- If you switch organizations during the period, you will see donations to each organization.

DO all my purchase count?

- No earnings on gas, alcohol, pharmacy or lottery tickets.
- NEW! Some gift cards are now valid purchases!

Can I support multiple teams and organizations?

- Yes! But not at the same time.
- Families can change teams and organizations anytime through their online account. Families will see donations to each team or organization on the quarterly statements. King Soopers is working on this part of the program.

Can my family out of state link their King Soopers account to my team or organization?

- Yes. But it can be tricky!
- For out-of-state family (such as college kids) using your family's King Soopers number, it will automatically link if you have selected our team in your account.
- For out-of-state family who use a different phone number, it is more complicated. They must change their home store to one in Colorado, find and add our team to their account. If they use their own local store for coupons, pharmacy or ClickList, DO NOT have them do this at this time as it will not work once they reselect their home store. King Soopers is working on this part of the program.
