

Mountain Vista Cross Country T-Shirt Fundraiser For Rickey Cooper

In September, Mountain Ridge student Rickey Cooper was diagnosed with Multiple Sclerosis. Rickey has been in an out of Children's Hospital since. It is hard to imagine being diagnosed with MS, especially at the age of 13.

With all of the unexpected medical bills and time away from work his mom, Nicky, is in need of financial help.

The Mountain Vista XC team would like to do our part to help relieve some of the financial burden that the Cooper's currently face. We will be selling a new XC T-Shirt and donating all of the proceeds to Rickey and his mom.

Our goal is to raise \$1000.

Please bring the following form to Jonathan Dalby (MRMS) or Eric Selle (MVHS) with a cash payment by Friday, December 6th. All shirts are an ultra comfy 50/50 cotton-polyester blend.

Shirts are \$25. You can add "Back-to-Back State Champs" for an additional \$5 (\$30 total)

Men's T-Shirt

_____ Small \$25
