*** Please note that these marks only apply if you are entering more than 3 athletes in an event. The marks for the laned events are based on electronic times and will be verified on milesplit. If I cannot verify them your additional athletes will not be accepted. If you have athletes that are ever so close to these marks, or an athlete that does not yet have a mark in a certain event that easily could make these standards, please let me know, and I will do what I can based on availability.

Minimum Measurements:

	Boys	Girls
Long Jump	19'0	15'0
Triple Jump	40'0	30'0
Shot Put	40'0	30'0
Discus	110'0	85'0
High Jump	5'8	4'8

There will be no courtesy marks!!! Please be aware of the opening heights and minimums. If you have athletes that clearly cannot attain those marks. DO NOT ENTER THEM. For example if you enter 3 boy high jumpers at 5'0, I will contact you and they will be rejected.

Entries on milesplit will be open for unlimited athletes per event. Please only enter more than three if they meet the above standards. I am trusting that all of you will follow the standards. Additional entries will be verified, and if they are not in compliance, they will be rejected. I will contact you personally if one or more of your entries are rejected. [If you have less than 3 quality entries in an event, consider not entering 3 athletes and making room for the schools that do have depth in those events. Certainly not a requirement. But It will make the meet more efficient, and it is just good karma!!](#)

Also if you are interested in running a B-Relay team let me know. I do ask that if you request a B-Relay that it is a highly competitive relay team that can compete against other schools A-Relay teams. There will be no guarantees on B-Relay Teams.
